

## STUDENT FORENSIC TRAINING

Presented by the

North Carolina International Association for Identification

Would you like to learn more about Forensics from people who work in the field? The NCAIA is having a conference and we would like to invite college students who are interested in a career in Forensics. We are having a training day specifically for students covering:

Crime Scene Investigations · Medicolegal Death Investigations · Facial Recognition · FARO (3D) Crime Scene Scanner · Ultraviolet/Infrared Photography

### NCAIA Student Forensic Training Day - September 13, 2022

**Student Daily Rate: \$25**

**Student Full Conference Rate: \$60 (Monday –Thursday, September 12-15)**

Visit [www.nciai.com/conference.html](http://www.nciai.com/conference.html)

*for full conference details and registration links.*

The International Association for Identification (IAI) is the oldest and largest forensic association in the world. The North Carolina division was chartered in 1938 and is the 3rd oldest state division. Our members are dedicated to the advancement of forensic science. The NCAIA holds various educational seminars, trainings and professional meetings throughout the year with the annual conference the cornerstone event.
